A JOURNEY THROUGH THE GLASS

The Drawing Rooms have always been a place for conversation, imagination, and a well-made drink.

Our cocktail menu follows the same spirit: a journey through time, told one glass at a time. We begin with our Heroes, drinks dreamt up here at the House, from signatures that have stood the test of time to brand-new creations mixed with today in mind. Then we travel back with the Vintage Classics, each rooted in a specific moment and place, think a Mary Pickford, 1924 Havana. Finally, the Contemporaries serve as our present chapter: inventive cocktails that play with balance, flavour, and form while keeping one eye on the past, like the Paper Plane, born in New York in 2007. For those who prefer their glass without spirits, our mocktails are every bit as thoughtful, created in-house with the same care and craft.

Like the Drawing Rooms themselves, this is a menu that lives between heritage and reinvention, a timeless setting for whatever you choose to raise a glass to.

All prices are inclusive of VAT.
