HOME HOUSE

LONDON'S MOST EXCLUSIVE PRIVATE MEMBERS' CLUB

INTRODUCTION

Intimate, glamorous, grown-up: Home House is everything a London wedding venue should be. It's also incredibly convenient, located just moments from Hyde Park and Oxford Street, and we can host both the civil ceremony and the reception in one gorgeous location.

HOME HOUSE

In 1773 Elizabeth, Countess of Home, commissioned a new building in Portman Square.

It was to be a “Palace of Pleasure”, the high-water mark of gracious entertaining. In the hands of Robert Adam and James Wyatt, architectural superstars of their day, this dazzling fantasy took shape. Elegant neo-classical proportions, sumptuous décor and the most dramatic staircase in London: the Countess certainly knew how to make an entrance.

Today, more than two centuries later, Home House has maintained its rightful place amongst the finest entertaining venues in the world. This is eighteenth century elegance reinvented with flair and sensitivity, creating a unique atmosphere of timeless, laid-back luxury for your special event.

From exclusive rooms to sumptuous gardens to host the ultimate al-fresco experience, Home House has it all, right here in the heart of W1.

YOUR WEDDING

Home House provides a simply stunning backdrop for your special day. Weddings, however, are about so much more than just a beautiful setting. The truth is, a fairytale ending depends on meticulous planning and attention to detail.

Luckily we're here to support you all the way. With a dedicated wedding planner assigned to your event, you can afford to relax and enjoy the journey. Our experience tells in every detail.

THE PERFECT DAY

The magic begins the moment you discover the elegance and luxury of the interiors. Flair and creativity abound and are matched by the skill with which a celebrated 18th century edifice has been matched to the demands of the present day.

Home House is open every day of the year and we pride ourselves on the imaginative solutions we can create for every season in the calendar.

A CHEF TO INSPIRE YOU

As with so many top Italian chefs, Fabio Petrucci was inspired at a young age by the gastronomy of his family and the rich textures, fragrance and taste of simple Italian food. Fabio's skills were honed in several Michelin-rated kitchens, before he came to Harry's Bar in London. He then discovered a new world under Raymond Blanc at the legendary Belmond Le Manoir aux Quat' Saisons, followed by a glamorous four years at Annabel's, before joining us here within the hallowed walls of Home House.

OVERNIGHT AT HOME HOUSE

Home House is delighted to offer 23 beautiful bedrooms. All of our bedrooms and suites are individually decorated and, along with the rest of the House, they are steeped in history.
