

# WELCOME BACK HOME

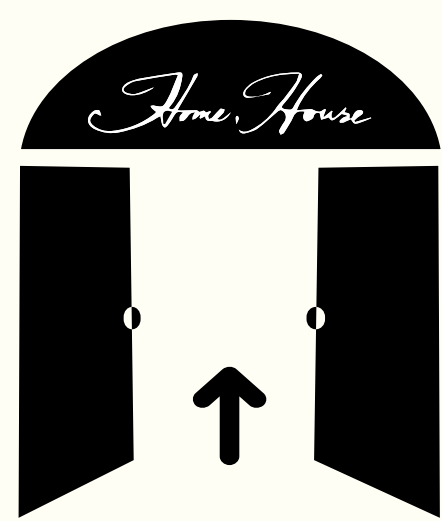

Our team is ready and excited to offer you the unique Home House experience you know and love with some extra care and attention

We recommend making a booking before coming to Home House. Bookings can be made on the website. The Garden and The Drawing Rooms are available for booking, the other areas of the house will be opened in a phased manner.

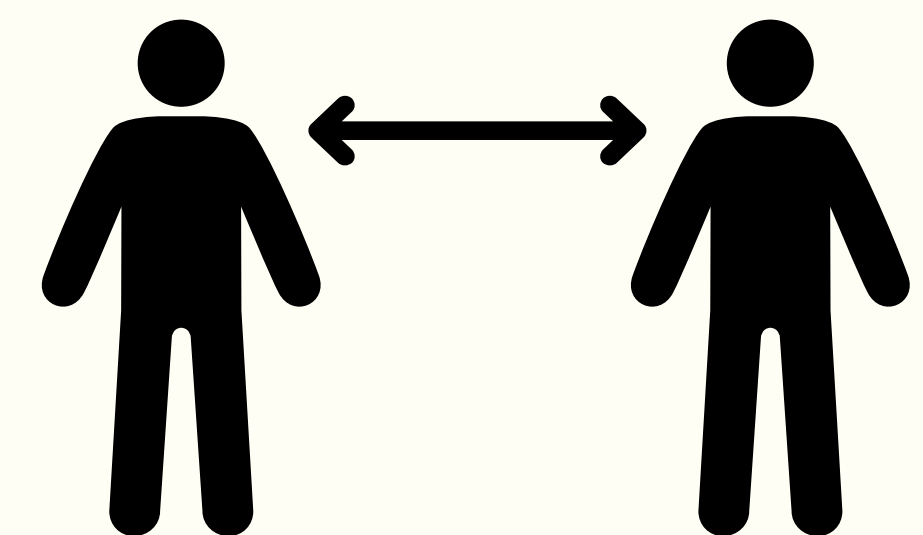

The lower ground event rooms will be dedicated for Members to collect their new Membership Card, register and to provide access to The Garden area. This is also where our Front of House team can be located to answer any questions you might have. No cloakroom facilities will be available.

Enter via the main Home House entrance, House 20, on Portman Square. The House will be clearly marked with a one way system.

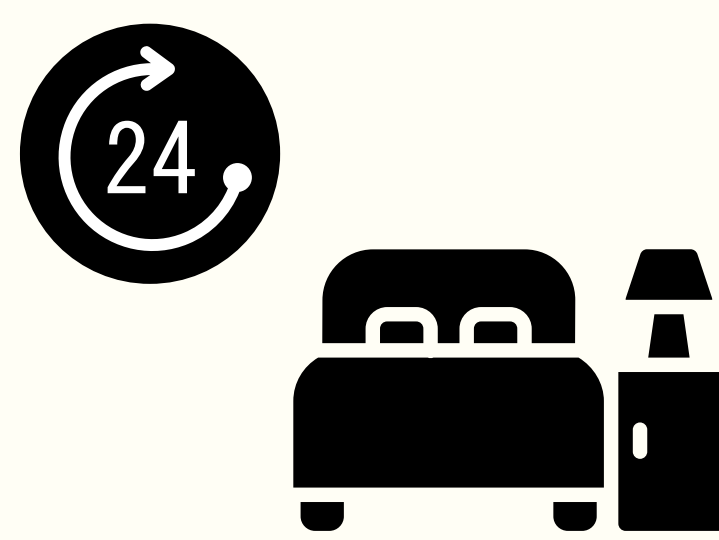

Help yourself to hand sanitiser which will be available throughout the house. A complimentary mini-bottle of hand sanitiser will be awaiting you (with love from Cedric).

Please ensure you are social distancing as per PHE guidelines. The House layout will be updated accordingly to mirror these suggestions.

Staff will be provided with PPE including face masks, hand-gel sanitisers and gloves, and voluntarily temperature check will be offered.

For bedroom bookings check-in/out times will remain the same. To reassure all our guests we will have a 24hr gap between each bedroom's occupancy to allow time for deep cleaning. All bedrooms will have hand sanitisers as part of their amenities.

We prefer contactless payment and discourage cash.

Public areas and toilets will have an increased schedule of cleaning throughout the day.

Tables and chairs will be thoroughly cleaned between reservations.

Please exit the House via the House 21 entrance, on Gloucester Place.

We look forward to welcoming you back to Home House
