

## How to Redeem Your Levy Credit

Dear Member,

Your levy credit has been added to your *new membership card* which can be collected from the ground floor event rooms when you return to the house.

The credited amount is equal to the subscription fees you paid during the period Home House remained closed and as a thank you we've added an extra 10% of credit on the house.

The credit can be used in all areas of the house including bedroom bookings, with the exception of personal training, and will expire on 30th June 2021.

To use the credit simply hand your new membership card to one of the team when paying your bill and the amount will be deducted. Any shortfall can be paid through normal means.

Members who don't qualify for the levy credit will still be issued with a new membership card.

Please kindly note your levy credit can only be enjoyed using your new membership card. This can be collected from Home House during opening hours.

We look forward to welcoming you back Home!

The Home House team
