GRAND, ECCENTRIC, ICONIC

Indulge yourself in the voyage of the senses that is House 21.
Lose and find yourself in its eclectic, unusual mix of times
past and present - a winning hub of aesthetic details,
fanfares of colour and unexpected objets d'art.

We offer a haven to suit all aspects of appreciation but
whatever you do expect, expect the unexpected and revel in
time well spent with souvenirs of glorious days and elegant
nights to treasure in your mind. And who could have put it so
perfectly, when it comes to contemplation but Socrates -
'The unexamined life is not worth living'.
