Spread across three exquisite Georgian townhouses, Home House hosts a variety of stunning event spaces for meetings, parties and weddings in the heart of London.

Established in the 18th century, Home House is named after the notorious Countess of Home and was designed as a sophisticated palace purely for enjoyment and entertainment. The historic building was meticulously restored and retains many of its original features, including ceiling to floor windows to allow for plenty of natural light. Our private hire spaces range in size from 39sqm to 148sqm and can accommodate up to 180 guests for a standing reception.
