AFTERNOON TEA AT HOME HOUSE

Afternoon Tea began in 19th-century England as a gentle pause between lunch and dinner, a moment to refresh, to converse, and to savour delicate food and drink in good company.

It was a ritual born of leisure, elegance, and the simple pleasure of taking time for oneself. At Home House, we've brought this tradition into the heart of the Drawing Rooms, Robert Adam's 18th-century masterpiece. Originally designed as places to withdraw after dinner, the Drawing Rooms were settings for conversation, company, and refinement, making them the perfect backdrop for this timeless ritual with a playful twist.

Choose between the Classic or the vibrant Vegan, each combining textures, flavours, and a little imaginative flair. There's also the option to upgrade with champagne, because sometimes tea just needs a little sparkle. For little ones, our Children's Afternoon Tea is served at weekends, perfectly sized for smaller appetites.

V - Vegetarian • VG - Vegan • GF - Gluten Free • All prices are inclusive of VAT.

A 15% discretionary service charge will be added to your bill.
